

Come welcome the **FRASER RIVER CHALLENGE EXPEDITION!**

In 1995 and 2000, Fin Donnelly completed two legendary swims down the Fraser River, helping awaken Canada to the Fraser's importance. This summer, a relay team is swimming Fin's historic 1,400-kilometre route to raise awareness about the need for increased habitat protection. They'll be joined by businesses, non-profits, and individuals journeying down the river by canoe and raft, as well as a marathon walker who is hiking 1,000 kilometres across the rivershed.

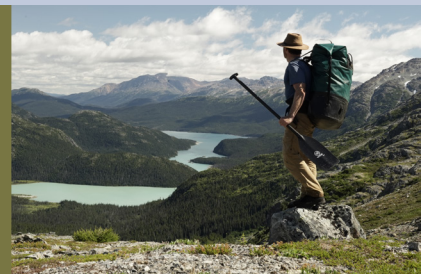

FRIDAY, AUGUST 7 DUNSTER COMMUNITY HALL POTLUCK DINNER AT 6:00 P.M.

(BRING A PREPARED DISH TO SHARE. DUE TO AN ALLERGY, NO WATERMELON PLEASE)

There will be guest speakers and a presentation of the film *Full Circle* by former Dunsterite Taylor Bachrach following dinner

ABOUT THE FILM FULL CIRCLE

In July 2025, former Member of Parliament Taylor Bachrach set off from his home in Smithers to complete a first-ever 850-kilometre route by solo canoe. His journey took him down rivers, along the coast, over mountains, and back home again. The new one-hour documentary *Full Circle* captures the landscape, people, history and wildlife he encountered along the way. It's a love letter to the region he calls home.
